

SURGERY PAPYRUS

Vol. 3 :: No. 1
Jan- April, 2016
SPRING ISSUE

The Quarterly News Letter
Association of Surgeons of Assam

From Chairman's Desk

Respected Members,

I, on behalf of the Association, bring greetings of Rongali Bihu to all of you and wish you peace, happiness and prosperity.

I also express my sincere thanks & gratitude for giving me the responsibility as Chairman of this prestigious Association of Surgeons of Assam (Assam Chapter of ASI). Truly I feel honoured.

All of you know that past Chairman Dr. Rabindra Nath Mazumder and the team of executive members had done commendable job for the development of the Association, I, on behalf of the Association, wish to congratulate them for their achievement.

I took over charge from Dr. Mazumder on 2nd of January, 2016, in presence of a large gathering of honored members. It was a proud moment for me that I took over charge in front

of my teachers, well-wishers & a large number of respected past Presidents. I am also lucky to have the existing experienced team of executive members to help & guide me to carry out my responsibilities.

We have already framed our working calendar with a provision to add programmes time to time as and when necessary. As a Chairman it has been my responsibility to publish the News Letter of our Association "Surgery Papyrus." This is the 1st issue of my tenure. Please read it and write to us your valuable suggestion and comment.

Our emphasis has been on training of post graduates & young surgeons as they are the torch bearer of our Association. Our effort is to bring out new talents and to give them the platform to grow. At the same time we want to stimulate the academics of the Association by organising various scientific activities. We have also given emphasis on our social commitment. So we have taken up free rural surgery camps and health awareness programmes on burn care management, cancer, health & hygiene, population control etc.

Mid term CME is organized in the Dept of Surgery, FAA Medical College, Borpeta, in association with Borpeta Chapter of ASA. Prof. Dilip Kr Dutta, Head of Surgery & Dr Dharendra Nath Choudhury, Convenor, are working hard to make it successful. Dr Dipak Sarma, Chairman, scientific committee, has been working on framing the detailed academic programmes. Under the guidance of vastly experienced Dr D Hazarika with young energetic Dr Diganta Das as organizing secy, the whole team of Bongaigaon Chapter of ASA have been working full time with the active co-operation of BRPL management to put up a good show in ASACON, 2016. I take the opportunity to invite all our members to attend the ASACON, 2016 to make it a memorable one. Members are requested to visit our website "www.asiassam.org" regularly and update about the activities of the Association

Many of our surgeons are yet to become member of Association of Surgeons of India. I would like to request all our members to work actively to increase the membership strength of our Association. Membership form may please be downloaded from our Website : www.asiindia.org. Association will be stronger by your active and valuable suggestions participation. I hope, with your blessings, the ASA will be able to grow further to put up our strong presence in ASI.

Long live ASA, long live ASI.

(Prof. Manoj Kumar Choudhury)
Chairman, Assam Chapter of ASI

From The desk of Hon Secretary

Dear esteemed members of Association of Surgeons of Assam
Rangali Bihu and Seasonal Greetings from executive committee of ASA.

We are pleased to know about your response of our news letter "SURGERY POPYRUS" for the year 2015 which was edited and published by our immediate past President Dr. R. N. Mazumder. As per protocol of the Association this year our new President Dr. M. K. Choudhury is taking initiative to publish the same in the coming year with full enthusiasm. Your valuable support and constructive ideas will definitely help us to serve you in a better way.

I take the privilege to thank all the branches and the members, well-wishers and associated organizations who have arranged and attended different academic programmes, surgical workshops, P.G. Master classes and public awareness camps at different chapters and medical colleges within this short span of time since January 2016. At the same time I like to thank the newly formed Borpeta Branch of ASA for taking responsibility to organize the Mid Term CME at F A A Medical College, Borpeta. We are pleased to observe the hard work done by the team headed by Dr. D.K. Dutta and Dr. D. N. Choudhury to make it a grand success.

Dear esteemed members, it is my pleasure to inform you that preparation for our ensuing annual conference "ASACON 2016" is going on in full swing at Bongaigaon under the banner of Bongaigaon Branch with the kind helping hand of BRPL. Please keep an eye on our website "www.asiassam.org" for regular updates. I would like to request you all to participate actively in the conference to be organised from 4th to 6th of November, 2016. I also request you all to register early to enable the organizing committee make necessary arrangement for you.

Dear members, I would like to appeal to become member of the Association of Surgeons of India (those who are still not a member) as soon as possible. Details of procedure for membership and forms are available in the website of Association of Surgeons of India (www.asiindia.org). Online application facility is also available at the website. For any assistance please send a SMS or an E mail to me.

Hope, this issue of SURGERY POPYRUS will also be able to become popular among you all.

Thanking you all

Long live ASA
Long live ASI

(Dr. Pulakananda Bharali)

Jorhat: 07.05.2016,

2nd January, 2016. Charge handover Ceremony of ASA

Prof. M K Choudhury taken over charge as
Chairman, ASA from Dr. Rabindra Nath Mazumder.

SHRADDHANJALI To Prof. R K Mahanta

Prof. Ranendra Kumar Mahanta, a distinguished teacher, a renowned urologist and a great human being breathed his last on 9th February, 2016 at 10.40pm after a prolonged illness.

Born in 11th November, 1947, Prof. Mahanta had a brilliant academic career. He stood first in Final MBBS in 1971, did his M S from Gauhati Medical College and M Ch in Urology from AIIMS. He joined the Department of Urology and later on became Head of Urology at Gauhati Medical College. Later on he opted for voluntary retirement and started Assam Lithotripsy Centre at Central nursing Home, Beltola. In spite of his very busy professional schedule he was involved in various social welfare activities and also wrote a book "A guide to Urology".

We all will remember his contribution to the medical fraternity and to the society for years to come. We wish for the eternal peace of this great soul.

Prof. Manoj Choudhury

On behalf of ASA.
