Association of Surgeons of Assam

VOL .6 :: No .1

From The Chairman's Desk

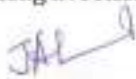

Dear esteemed members of the Association of Surgeons of India (Assam chapter) Season's greetings and warm wishes !

Please accept my sincere thanks for entrusting me with the reins of our beloved organization. It is indeed a challenging time to take up the reins as presently ASI is experiencing a sea change, with academics at the forefront.

The new ASI is working very hard to standardize Surgical Education across the length and breadth of the country and to ensure that updated surgical skills reach out to all surgeons, especially those from the rural areas. It is also aiming to make its voice heard in decision making processes at the National level.

The Mission Statement of the ASI projects five areas of focus for the surgeon, namely Safety, Skill, Digital ASI with a "SAY" in decision making at the National level and last but not the least, "Being responsive to Social Resposibilites".

All these Mission Statements taken together augur a firm and respectable base for the ASI. Let us, at the State level, do our best to contribute in building up a strong ASI which we can all be proud of. I solicit help and suggestions from each and everyone of you in order to make this happen and to make this journey a memorable one. As our National President says "Together we shall make it happen..." Long live Assam Chapter of Association of Surgeons of India.

Dr. Jishan Ahmed
Chairperson, Association of Surgeons of India
Assam Chapter

From the Desk of the Hony. Secretary

Dear Esteemed Member,

Wishing you and your family a very Happy Rongali Bihu.

At the very outset, I thank you all for giving me this opportunity to serve the association as Hony. Secretary. With opportunity, comes responsibility and I understand that this term of two years will have some great responsibility to organize some great events, including hosting the national conference ASICON 2020.

It is your continuous guidance, participation and co-operation, that will help us to make these events a great success.

I am glad to inform you that we have already had a good no. of C.M.Es, Workshops, Awareness programmes and P.G Masterclass organised by our Different Branches in these last 4 months, and urge upon all our members to participate actively in all the branch activities. The academic and social activity calendar is printed on the last page for your needful. We need to organise a few Rural surgical camps, and try to reach out to all our Rural colleagues, encouraging them to become ASI member.

The JASA needs to be revived, and I urge upon all our members to put up some effort in bringing out and contributing articles regularly for publication.

We have a present strength of 341 members, and we are trying to update the Members directory. Please contact me at my mail gunabhi@rediffmail.com if any addition or corrections are required.

Our annual conference, ASACON 2019, will be hoisted by the Tezpur branch of ASA at the Tezpur University Campus. I urge our members to participate in large numbers, and make it a grand success.

Please go through the ASI social security scheme and the ASI professional indemnity scheme on the website www.asiindia.org and take benefit of the schemes.

Lastly, on behalf of the Executive Committee of ASA, I seek your co-operation, suggestions and help, so that we can run the association to the satisfaction and expectation of all of you.

Long live ASA Long live ASI.

DR. GUNABHI RAM DAS

Hony. Secretary

Assam Chapter of ASI

A brief note from Immediate Past Chairman, Assam chapter of ASI

At the very outset, I congratulate the newly elected Executive body of Assam Chapter of ASI(2019) led by Prof. Jishan Ahmed, Chairperson and Dr. Gunabi Ram Das, Hon. Secy. I also congratulate our new EC member Prof. Manoj Choudhury. Best wishes to all of you. I fervently hope that you have a very successful tenure.

Soon after I adorned the Presidential color on 6th January 2019 I made it a point to endeavor and try my best to live upto the expectations of our members. Today I can gladly say that with active support and cooperations from all executive members as well as executive and general members of different branches, we could achieve something in our tenure. To name a few of our achievements which can be termed as successful ones were Cancer awareness and Health check up camps at Pathsala, Majuli, free surgical camps at Jorhat and Bongaigaon, a very well organized mid term CME at Diphu (credit goes to Diphu Civil Hospital Doctors, AMSA Karbi Anglong Unit members and leaders like Prof. S. Hagjer, Dr. Elbert Kiangte, Dr. Ratul Thakur, Dr. S. Marak and others.) several CME's and awareness camps at Guwahati, Dibrugarh, Schar, Tezpur, Tinsukia, Jorhat, Cancer and Burns awareness runs and public meetings in association with other NGO's, fellow associations and philanthropic organisations etc, We were also co-organisers of NABICON, 2018 at Guwahati where Prof Seema Rekha Devi led from the front.

The Regional Refresher course under the aegis of Guwahati branch was held at Guwahati Medical College and was attended by all stalwarts of central committee of ASI including President Dr. Dilip Gode, ASI office administration in charge Dr. Abhay Dalvi, coordinator Dr. S.J. Abraham and a host of faculty members from different NE and adjoining states. The participation of PG students and other members was also very encouraging. The RRC Organising committee under leadership of Prof K. Bhuyan and Prof. P.P Das and secretary of Guwahati branch Dr. Siddhartha Phukan deserve special appreciation. The annual conference of our chapter (ASACON, 2018) at Tinsukia in October, 2018 was one of the best conferences held so far. Due credit must be given to all members of the newly formed Tinsukia Branch and team leaders, Dr R.C. Bhuyan and Dr. J.C. Dey.

Last but not the least, a very noteworthy achievement of ours came in the month of December, 2018 at Chennai ASACON when we could successfully bid for ASACON at Guwahati in 2020. Already, an organizing committee has been formed under the Chairmanship of Prof. Manoj Choudhury, Hony Secy Dr. J.N. Buragohain, immediate past chairman Dr. Ramen Kalita, EC member Dr. Sarbeswar Bora, Treasurer Dr. Rapnayan Goswami, Editor Dr. K. Bhuyan, all scientific committee members, all executive members including past chairmen and all general members and well wishers for their active support and cooperation.

Long Live ASI, Long Live ASA.

Dr. Satyendra Nath Choudhury

Immediate past Chairman

OBITUARIES

Late Dr Lalit Chandra Saikia

On 9th January 2019, Dr Lalit Chandra Saikia of Banipur Tiniali, Dibrugarh passed away peacefully in his sleep after suffering from a protracted illness. He leaves behind his wife, three daughters, grandchildren and a host of other relatives.

Dr L. C Saikia was born on the 13th of July 1944 in Dibrugarh. He passed his matriculation from George High School, Amolapatty Dibrugarh in 1960. He did his MBBS and Post Graduate degree from the prestigious Assam Medical College Dibrugarh. He joined as a Registrar in General Surgery in 1975 and retired as a Professor of Surgery in October 2002 from AMC. After retirement he also worked for a few years in Amlapuram (Andhra Pradesh) and Agartala Govt. Medical college (Tripura). We pray to the almighty for his eternal peace .

Late Dr. Jadav Chandra Sarma

Dr. Jadav Chandra Sarma, retired Joint Director of Health Services, Goalpara breathed his last on February 13, 2019 in a Mumbai hospital following a brief illness. He was 68. He had been working as a surgical consultant under NHM, Assam at Mirza CHC. A resident of South Sarania, he was born and brought up at Chenikuthi in Guwahati and was the eldest son of an illustrious father Late Bharat Chandra Sarma, President's award winning teacher and retired headmaster of MCME School of Uzanbazar, Guwahati. Dr. Sarma completed his MBBS from Gauhati Medical College (batch of 1968) and later MS (General surgery) from the same college.

Dr. Sarma was extremely kind hearted and jovial in nature. He leaves behind his wife, two sons and a host of other relatives. We pray for his eternal peace.

Late Dr. Sankar Chandra Das

Dr Sankar Chandra Das was born at Chaibari village of Pathsala of Borpeta District, and passed Higher Secondary from Bajali HS and MP school in 1968. He joined in MBBS course in the same year in GMCH. He completed the MS course from the same college. He joined in Assam Health Services and served at Tezpur Civil Hospital as surgeon. After serving at different places he retired on September 2011. We pray to the Almighty for the eternal peace of the departed soul.
